FIFTH COMMITTEE
Agenda item 123

PROPOSED PROGRAMME BUDGET FOR THE BIENNIUM 1994-1995

Letter dated 10 December 1993 from the Chairman of the Second Committee to the Chairman of the Fifth Committee

I refer to the first report of the Advisory Committee on Administrative and Budgetary Questions (A/48/7), and specifically to section 8, dealing with the Department for Policy Coordination and Sustainable Development. In its report, the Advisory Committee proposes that the Secretary-General should resubmit to the General Assembly a revised proposal on the funding of the United Nations contribution to the financing of the activities of Non-governmental Liaison Services (ibid., para. IV.15).

The Second Committee wishes to endorse the work undertaken by the Non-governmental Liaison Services, particularly in the valuable functions it carries out with non-governmental organizations involved in the follow-up to the process of the United Nations Conference on Environment and Development. It invites the Fifth Committee to consider the continuation of the United Nations contribution to Non-governmental Liaison Services on the basis of an appropriate proposal from the Secretariat to the Committee.
